Bob Nash—Classification Speech

Article by Bill Hoff. Photo by Cory Upmeyer.

Bob Nash, classification Insurance, told us about himself. Born 1955 in Northbrook, Illinois Bob grew up in a family of seven. He attended Glenbrook North High School and participated on the gymnastics team for 2 ½ years. His original love for speed skating was dampened when he lost a race to Anne Henning who later went on to win the 1972 Olympic gold medal for women’s speed skating.

In 1977 Bob received a B.S. degree from Northern Illinois University majoring in Marketing. Upon graduation he began working for Pullman Corporation. Two years later, he moved to Phoenix and then Boston, working for Digital Equipment Corporation. Moving back to Chicago he worked for Rockwell Telecommunications as a Business Analyst Consulting for SBC, and Discover Financial Services. Bob was hired as a Director in their IT Program Management office at CNA Insurance on the eve of 9/11. While working there he attended graduate school at DePaul University and also obtained his pilot’s license. For the past five years Bob has been representing AFLAC insurance as a District Manager.

Bob married Kristi in 1993 and lived in Arlington Heights for 10 years with their two children Grant and Whitney. He was assistant Scout Master for Troop 32. They now live in Tower Lakes.

At the age of 10, Bob started playing the guitar and continues to this day playing in four bands.

Bob and his wife recently got involved with the Habitat for Humanity and will assist in the construction of homes in Waukegan.

The Club’s “Star Boarder” wants to officially join our club. This may come as a shock to some of our members, many of whom think that Bill Borst is already a member of our club!

By way of background, William “Bill” Borst is a retired employee of Universal Oil Products in Des Plaines, Illinois, where he was a refinery engineer. Bill and his wife Ann are relocating from Venice, Florida.

Bill has been a Rotarian for some time, and has been a member of the Mount Prospect and Venice Rotary Clubs. He is currently working on his 33rd year of perfect attendance. His classification is Refinery Design.

Golfers Wanted

Last summer, Donna Strum and Kathy Williams came to Rotary to describe how they are using the game of golf to enhance the physical, emotional, social and spiritual quality of life for children and adults with cancer or physical disabilities. Donna (a physical therapist) and Kathy (an LPGA teaching professional) combined their passion for golf with their desire to make a difference in the lives of others to form Revelation Golf, a not-for-profit 501(c)3 organization.

Revelation Golf is looking for golfers for its 3rd annual golf outing on Wednesday, June 4 at Prairie Landing Country Club in West Chicago, IL. It is a scramble format with an 8:30 am shotgun start. Proceeds from this year's outing will support programs for disabled veterans which are conducted with the Illinois Department of Veterans Affairs. Any one interested in participating, please contact **Linda Borton @ 847-618-5260** or Lborton@nch.org.

Book Drive A Success

Article by Cory Upmeyer.

Over 1700 books were donated this year to the Aurora East Elementary School District.

Approximately 25% of the donated books will be added to the easy fiction section. Another 25% were made available to students who participate in an after-school program. With the objective of increasing their desire to read, students are allowed to take books home. The remaining donated books are biographies, which will be used in the classroom libraries.

In a letter Principal Michael Smith said: "Our students greatly benefit from your generosity. Any donation you provide goes directly toward allowing our students to read. One of our School Improvement Goals is to provide more access to literature and the Arlington Heights Noon Rotary Club is helping us achieve just that. Thank you for your time and effort, you are making a difference in our community."
